

Naturist Legacy Park Pool Plan View and Access Control

Drawn by John Kundert

Date: March 9, 2012

Scale: .25" (one square) = 2 feet (.61m)

References are to Manitoba Regulation 132/97

- A** House rules sign including wording per Section 6(2) in letters not less than 2.5cm on a contrasting background per Section 6(4).
- B** "No Diving" warnings spaced 7.9m apart in letters not less than 10cm high on a contrasting background per Section 7(4)b.
- C** First aid kit per Section 10(1) and Schedule B, and telephone per Section 10(2).
- D** Chain link fencing constructed per Section 15(1)a,b,c,d is 6 feet or 1.82m in vertical height with lockable gates of the same height. Fencing has 2 inch or 5.1cm mesh size and 9 gauge wire size.
- E** Smooth wood fencing per Section 15(1)e is 6 feet or 1.82m in vertical height and does not provide foot or toe holds.
- F** Wood splash deck surrounding pool has an unobstructed hard surface measuring 4.6 to 5 feet (1.4 to 1.52m) wide per Section 19(1). Small gaps between deck boards will allow water drainage.
- G** Water depth measured in metres spaced 7.9m apart in letters not less than 10cm high on a contrasting background on the deck edge and sides of the pool above the water line per Section 20(2)a.
- H** Ladder for egress per Section 22(1).
- I** Walk-in stairs equipped with handrail and non-slip treads marked with 2.5-5cm stripe per Section 22(1.1)b,c, Section 22(2) and Section 22(3).
- J** Signs per Section 26(1) with wording 4cm or more in height indicating that no lifeguard is on duty and that children under 12 must be accompanied by an adult.
- K** Signs per Section 26(2) indicating hours of operation.
- L** A reaching pole and buoyant throwing device per Section 27 and a spine board per Schedule B.

OTHER NOTES

- (1) This 33 foot (10.1m) diameter pool will have 52 inch (1.3m) vertical side walls and a water depth of 46 inches (1.2m). It will have a surface area of 855 square feet (79.4 square metres).
- (2) The pool side walls will average approximately 16 inches (41cm) above grade and approximately 36 inches (91cm) below grade.
- (3) A wood splash deck (see F above) will surround the pool. The deck will average approximately 16 inches (41cm) above grade with one step around the perimeter leading to ground level.
- (4) The dashed lines represent additional decking which will be added to the pool area adjacent to the wood fencing (E) in the future.
- (5) Regarding Section 11(2), this swimming pool will not be operated after sundown. Therefore, no lighting system or emergency lighting is included in this plan.
